COUNTY COURT CLERK

LIMITED WARRANTY

Customer Name Ralph Arnold R.O.# 4043

The Dealer warrants to the original retail Purchaser any eligible Genuine Ford Part (any part or accessory made or sold by Ford Motor Company) installed by the Dealer in a Ford Motor Company car or light truck. If such part fails in normal use and service, the Dealer will repair or replace it with Ford Authorized Replacement Parts. In such cases, repair or replacement by the Dealer shall be done free of charge to the Purchaser—including labor. The Lifetime Service Guarantee does not apply to parts repaired or replaced under any applicable new or used vehicle warranty or to the initial installation of an accessory.

When a Ford Authorized Replacement Part is no longer serviced (or stocked) by Ford Motor Company, the Dealer reserves the right to refund the money originally paid by the Purchaser for the particular parts and related labor.

The Purchaser's only requirements are that:

- He must return the vehicle to the Dealer during normal business hours for warranty services.
- The Purchaser must give the Dealer his own copy of the original repair order. It indicates that the Dealer had performed an eligible repair at an earlier date.

THIS WARRANTY DOES NOT COVER:

- TO THE EXTENT ALLOWED BY LAW, THE PURCHASER'S LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, TOWING EXPENSE, COMMERCIAL LOSS, OR CONSEQUENTIAL DAMAGE;
- PART REPLACEMENT THAT RESULTS FROM ACCIDENT, ABUSE, MISUSE, NEGLIGENCE, ALTERATION, OR IMPROPER MAINTENANCE;
- PART REPLACEMENT THAT RESULTS FROM NORMAL SCHEDULED MAINTENANCE SUCH AS POINTS, PLUGS, CONDENSERS, FILTERS, LUBRICANTS, PCV VALVES;
- THE NORMAL WEAR OUT OF BRAKE LININGS, CLUTCH FACINGS, AND WINDSHIELD WIPER BLADES;
- BATTERIES, BELTS, HOSES, FLUIDS, CHEMICALS, PAINTS, SHEET METAL, BRIGHT METAL AND TRIM ALSO ARE NOT COVERED;
- INCOMPLETE REPAIRS PERFORMED AT THE CUSTOMER'S REQUEST, LABOR-ONLY REPAIRS, OR REPAIRS MADE WITH NON-FORD OR NON-MOTORCRAFT PARTS.

HERE IS NO OTHER EXPRESS WARRANTY ON FORD MOTOR COMPANY SUPPLIED REPLACEMENT PARTS AND ACCESSORIES USED IN THIS DEALERSHIP'S REPAIRS.

THE WARRANTOR SHALL NOT BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR CONSEQUENTIAL DAMAGES.

SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

# CONSUMER INFORMATION

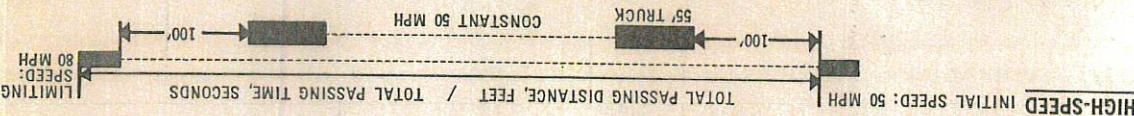

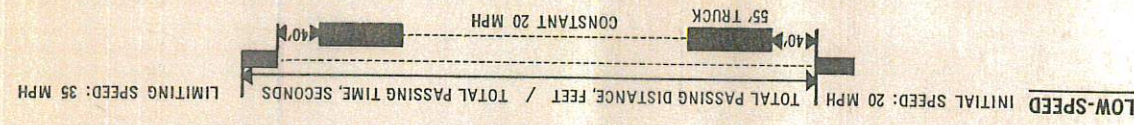

4G30H262009

This information is furnished under the Consumer Information Regulations of the National Highway Safety Bureau, United States Department of Transportation. The information represents results obtainable by skilled drivers under controlled road and vehicle conditions specified in the regulations, and it may not be correct or representative of performance under other conditions.

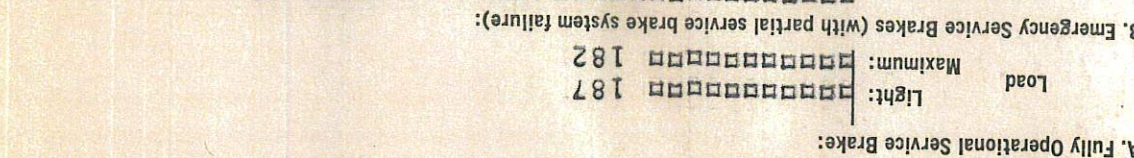

**DESCRIPTION OF VEHICLE TO WHICH THESE TABLES APPLY: V.I.N. 4G30H262009 GRAN TORINO 2 DOOR HARDTOP**

**ACCELERATION & PASSING.** This figure indicates passing times and distances that can be met or exceeded by the vehicle to which it applies, in the situations diagrammed below. The low-speed pass assumes an initial speed of 20 mph and a limiting speed of 35 mph. The high-speed pass assumes an initial speed of 50 mph and a limiting speed of 80 mph.

**SUMMARY TABLE:** Low-Speed Pass..... 471 Feet; 11.1 Seconds  
High-Speed Pass..... 1754 Feet; 20.3 Seconds

**STOPPING DISTANCE.** This figure indicates braking performance that can be met or exceeded by the vehicle to which it applies, without locking the wheels, under different conditions of loading and with partial failures of the braking system.

**TIRE RESERVE LOAD CAPACITY.** This table lists tire size designations recommended for use on the vehicle to which it applies, with the recommended inflation pressure for maximum loading and the tire reserve load percentage for each of the tires listed. The tire reserve load percentage indicated is met or exceeded by the vehicle to which the table applies.

Recommended Tire Size Designations	Recommended Cold Inflation Pressure for Maximum Loaded Vehicle Weight		Tire Reserve Load Percentage (1)	
	Front	Rear	2.20	2.84
578-14	26	28	2.20	2.84
H78-14	24	24		
H70-14				
HR78-14				

(1) The difference expressed as a percentage of tire load rating between (a) the load rating of a tire at the vehicle manufacturer's recommended inflation pressure at the maximum loaded vehicle weight and (b) the load imposed upon the tire by the vehicle at that condition.

**WARNING:** Failure to maintain the recommended tire inflation pressure or loading the vehicle beyond the capacities specified on the tire placard affixed to vehicle, may result in unsafe operating conditions due to premature tire failure, unfavorable handling characteristics, and excessive tire wear. The reserve load percentage is a measure of tire capacity, not vehicle capacity. Loading beyond specified vehicle capacity may result in failure of other vehicle components.

THIS VEHICLE IS EQUIPPED WITH A NEW BUMPER SYSTEM INCLUDING BUMPER GUARDS. SOME INSURANCE COMPANIES PROVIDE A SPECIAL DISCOUNT ON COLLISION INSURANCE COVERAGE FOR VEHICLES SO EQUIPPED. ASK YOUR INSURANCE REPRESENTATIVE FOR DETAILS. THIS IS A TWO-COPY FORM. PROVIDE ONE COPY TO YOUR INSURANCE COMPANY IF SO REQUESTED.
